OBJECTIVE

Looking to apply my education and experience to a job that offers professional growth while being innovative and flexible.

Hard-working, energetic and willing to learn, change and adapt to situations and bring out the best in myself as well as others. Very focused, good speaker with ability to lead.

PROFESSIONAL EXPERIENCE

Senior Front end Developer
TenTwenty Digital Agency, Mapusa-Goa
July 01 2020 - Present
- Worked on HTML5, CSS3, Jquery, Bootstrap, Concrete5 for CMS, GSAP for animations.
- Responsible for communicating with clients for any feedbacks of the projects and working on those feedbacks.
- Communicating with Team lead and project manager regarding the projects and making sure the project is completed on deadline.
- Responsible for developing the HTML template for a project based on the design provided by the designer through Figma or Sketch.
- Making sure the HTML template is in 1:1 ratio with the design provided.
- Responsible for developing animations provided in the design.
- Maintenance of past projects.
- Enhancement of past projects (either add a new page or multiple pages or change animation or change of content).
